# M.A.P. CONTINUES MOVING FORWARD

- M.A.P. sites will serve as comprehensive, one-stop wrap-around service hubs.
- We aim to integrate and expand services, strengthen community partnerships, and provide clients with a comprehensive path to reintegration.
- Our goal is to create an all-inclusive continuum of care that caters to the unique and diverse needs of the reentry population.
- We are committed to fostering strong relationships with law enforcement and criminal justice agencies, promoting a culture of community and partnership.
- We anticipate stakeholders will actively refer clients to M.A.P., helping us achieve our shared objective of lowering recidivism rates.
