

## Leave Time Request Detention Corrections Bureau (DCB)

### 517.1 PURPOSE:

To establish a standardized method of approving/denying leave time, that is equitable for officers and provides adequate facility coverage, for full-time Probation Correction Officers (PCOs), assigned to Juvenile Detention and Assessment Centers (JDACs) and Treatment Facilities (TFs).

### 517.2 DEFINITIONS:

Bump: A move or replacement by a scheduled employee by another employee.

EMACS: Employee Management and Compensation System (EMACS) automated system for requesting and recording time, leave, and attendance.

Emergency Leave: Consists of requests for use of family sick leave, vacation, holiday, or other leave time (i.e. bereavement), that was not necessarily planned or foreseen by the employee, but for which leave time in the immediate future is necessary and may be considered "an emergency." Emergency Leave will not normally consist of sick leave use, but may involve family sick leave for unforeseen circumstances. The on-duty Watch Commander (WC) shall immediately consider such requests, and approval of such leave time shall be predicated on:

- The fact the event was unforeseen and the employee could not have requested the leave time via the normal process.
- The circumstances surrounding the leave request necessitate the employee involvement.
- Is it reasonable to expect that the employee would take leave time to address the issue.

Requests may require supporting documents.

Leave Balance: Personal time such as vacation, holiday, and compensatory time, an employee has previously accrued and has available for immediate use. This does not include Sick Leave.

Leave Committee: A group designated annually by the Directors of each JDAC, who are responsible for executing the Leave Time process.

Officer Monthly Leave Time Calendar: A document maintained by each facility displaying approved vacation leave assigned through this process and availability.

Red Book(s): Book(s) maintained by each facility where employee's time off is documented (Sick leave, Special Circumstances, Work Variances, etc.).

Seniority: Date of rank or classification, followed by time with the Probation Department, followed by county time tenure shall determine seniority for leave preference. Former Probation Night Custody Officers' time in position will be considered as time in the PCO rank. Any further ties will be decided each year, prior to the distribution of the Officer Annual Leave Time Schedule, by a fair administrative process, with a SEBA representative present.

Special Circumstance Leave: Consists of a request for leave time due to unforeseen circumstances, which may only be approved by the Division Director I/II (DDI/II) of the facility.

This leave may require supporting documentation and is not to be utilized with the intent to extend approved leave time. Time off is not guaranteed and each request will be decided on a case-by-case basis.

Weekday: Monday through Friday.

Weekend: Saturday through Sunday

Work Week: Saturday through Friday

Work Variance: An exchange of shifts for officers within the same pay week.

#### **517.3 GUIDELINES:**
